Summary of Employment Activity:

I have done undergraduate research under the direction of Dr. Jonathan Van Hamme for 4 years. The research included two NSERC USRA funded projects, a directed study, and my current honours project. Over the years I have learned and implemented techniques in molecular and microbial biology to plan and conduct various research projects independently and in collaboration with graduate and undergraduate researchers.

Dates/Duration of Employment: January 2023 – present, part time during school semesters and full time in the summers.
